COOKING MAGIC

Tested Recipes and Meat Planning Ideas Prepared for Homemakers by **New Advisory Handed by the Home Service Department of Northwestern Utilities, Limited**

Pies for dinner are at Canadian as Maple Syrup. Over the years, adventurous and resourceful women have improved and varied the fillings, but the basis of a good pie is still in a good crust. Here is our favorite, along with some special pie recipes.

NEVER FAIL ME CRUST
1 cup shortening
1/4 cup butter
3 cups pastry flour
1/2 cup cold water
Cream shortening and butter thoroughly. Gradually cream in flour and salt. Add water or milk until a soft ball forms. Chill before rolling. Yield: double crust pie 9". This recipe holds in the refrigerator up to 2 weeks.

FRESH APRICOT PIE
1 recipe pastry
3/4 cup sugar
1 cup pineapple
1 1/2 dozen fresh apricots, pitted and halved.
1 tsp. lemon juice
1/4 tsp. salt
1/4 tsp. butter
Combine sugar and pineapple juice, boil 1 minute. Stir in apricots a few at a time until just tender. Lift apricots carefully from juice and arrange in pastry lined pan. Add remaining mixture and bake in oven for 10 minutes then 350°F. for 20 minutes longer. Let cool at least 10 minutes before cutting. If you wish to serve it warm.

CONNETTI PIE
1 1/2 cups crumbs (raham wafer, ginger snap, chocolate wafer)
1/3 cup granulated sugar
1 egg, vanilla pudding and pie mix
1 cup miniature marshmallows
1 1/2 oz. tin well drained peach slices, chopped
1 1/2 oz. tin well drained pineapple tidbits
1/3 cup halved maraschino cherries
1/4 cup soft butter
1 cup whipped cream
1 tsp. unsweetened gelatin
Early in the day Prepare pudding mix according to directions on the box. Cover the surface closely with wax paper and chill. Prepare pie crust by combining the crumbs, sugar, and melted butter. Press the crumbs mixture firmly on the bottom and sides of the well greased 9 inch pie plate (some of the crumbs may be set aside for garnishing the pie). Bake in 375°F. oven for 8 to 10 minutes. Cool.

Sprinkle the gelatin over 3 tsp. cold water, allow to soften. Then dissolve over hot water. Whip the cream until it is almost set, mix in small amount of the whipped cream into the gelatin (to prevent lumps forming) then slowly beat gelatin. 2 tsp. icing sugar and 1 tsp. vanilla into the cream. Fold the pudding into the whipped cream, then add the remaining ingredients. Pour the mixture into the cooled pie shell, mound slightly. Garnish. Serves 8.

FRESH BERRY PIE
4 cups berries (blueberries, raspberries, etc.)
1/2 to 2/3 cup sugar
1 tsp. lemon rind

1 cup, salt
3 tbsp. flour
1 tsp. lemon juice
1 tsp. butter
Place pastry in a 9 inch pie plate with pastry. Roll out top crust and chill with pie filling. Filling: Wash and clean berries. Drain well. Combine sugar, lemon rind, salt, and flour. Mix thoroughly. Add berries in pie shell. Sprinkle with lemon juice and dot with butter. Put on top crust. Make several steam pockets. Bake in 350°F oven for 15 minutes. Reduce heat to 325°F, and bake 15 to 40 minutes longer or until crust is delicately brown.

QUICK PUMPKIN CHIFFON
Pie
Combine:
6 Tbsp. miniature marshmallows (1 1/2 cups)
1 cup pumpkin
1 tsp. pumpkin spice
Sit on or hot heat until marshmallows dissolve. Cool. Beat 1 cup whipped cream. Fold pumpkin filling and whip cream together. Pour into baked pie shell. Chill and serve. Variation: Coconut custard.

4-H Club News

The last meeting of the Beef Club was held on Tuesday, May 4 in the basement of the Town Hall.

It was decided to make a tour of the club calves on May 15, with a winter school in the Drayton Valley camping grounds.

The next meeting will be held June 1 at 7:00 P.M. Reported by Sonia Ucheydyn

St. Anthony's Church

On April 28, CWL members attended an Installation Mass and ceremony for the 1965-66 executive. The new officers are: President - Mrs. E. Hennessey, Vice-President - Mrs. M. Lindquist, Mrs. G. Hennessey, and Mrs. B. Hennessey, Treasurer - Mrs. L. Hennessey, Spiritual Director - Mrs. O. Tredel, Welfare - Mrs. M. Tredel.

The first meeting of this fiscal year was held on May 3, at St. Anthony's School, with a good attendance. Father Butts led the League Prayer in opening. Mrs. Hennessey, led the regular business meeting which included discussion on a Mother's Day Sale, and plans for commemorating the 10th anniversary of the CWL, which will be on June 10th.

Following the meeting's adjournment, Mrs. Tredel conducted the Spiritual Program reminding members that May is a month of special devotion to the Blessed Virgin Mary, and the habit of saying a daily rosary was encouraged.

After Butts, then gave a talk on the parables. A Tasty lunch was served by Mrs. P. Tomaszewski, Mrs. E. Pelletier, Mrs. B. Butts, and Mrs. E. Koval.

Hospital visitors for May are Mrs. M. Kiebas and Mrs. M. Leticia.

Examination of the roots of a land from an accurate view are, any it's hard to say whether it's a man or a woman a talent as a woman who has just had one.

Good news for the man who's over 40 and concerned about his health

When you're over 40 you begin to realize that good health may not always be yours. If you're was to make the necessary adjustments - to enjoy life, but you don't overtax yourself.

Life insurance suddenly becomes more important, too. You want to make sure that all the gaps are plugged.

But uncertain health could make life insurance difficult to buy - more costly. Who can help you?

I think Manufacturers Life probably can. We believe life insurance should be available to as wide a group of people as possible - including people with chronic, high blood pressure, or ulcers, for example - at least possible cost. In fact, our company was the first to offer life insurance to men and women with diabetes.

If you are under 50 and worried about your life insurance because you are worried about your health, give me a call. I'll review your present insurance and show you how Manufacturers Life may be able to plug any gaps there are in it - without placing you under any obligation.

CARL TAPSCOTT SINGERS

The Carl Tapscott Singers have good reason to look happy. Formed by Tapscott, a white jacketed 11 years ago, the 12-voice choral group is one of the most successful in Canada. The Tapscotts are heard regularly in their own series each Sunday evening on the CBC radio network. They also have four record albums to their credit. The Tapscott Singers have appeared on CBC television as well, and make numerous personal appearances throughout the country. Tapscott, 58 years old, and his wife, Mrs. Tapscott, 55, are proud to have their own series. I hope that our efforts will be sufficiently recognized by Canadians so that I may continue to run down offers to live elsewhere.

ACHIEVING MATURITY

SCRIPTURE Ephesians 4:13-16

VERSES FOR THE DAY: I have fought a good fight, I have finished my course, I have kept the faith. Henceforth there is laid up for me the crown of life. (2 Timothy 4:7, 8).

HYMN FOR THE DAY: "I Am the Vine"

ONE of the outstanding characteristics of growing up is the ability to know what you believe, what your goal in life is, and how you expect to accomplish this goal. Certainly when we mature we are "no more children, tossed in and fro, and carried about with every wind of doctrine." The knowledge of God's truth and its application to life gives us an anchor for our souls. "When that which is perfect is come, then that which is in part shall be done away. When I was a child, I spoke as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things."

We must take time to establish a true foundation in our Christian lives in order that we might mature. The reason many persons fail in their efforts to grow up spiritually is they do not work at it hard enough and consistently. They feel they should be baptized today and fully matured tomorrow. It takes great, constant faithfulness, sincere, and daily Bible study accompanied by unceasing prayer and an ardent life for Jesus.

PRAYER THOUGHTS: Our Father, guide of eternal life, we come before Thee humbly, grateful for all Thou hast done for us. We thank Thee for those who have lived before us and have left a heritage to serve Thee. Give us strength and understanding to grow strong spiritually. Thy will be done in us and through us. Amen.

THE LESSON OF EXPERIENCE

SCRIPTURE: Philippians 1:1-11

VERSES FOR THE DAY: I can do all things through Christ which strengtheneth me (Philippians 4:13).

HYMN FOR THE DAY: "Hail Jesus, Born the Cross Above"

A SOLDIER who had lost both legs in the war was sitting in a wheelchair as a lady stopped to talk with him. Trying to show her sympathy for him she said, "Oh, I'm sorry you lost your legs but if there is anything I can do for you, I shall be happy to help in any way I can." The soldier looked up at her with a glimmer of joy and replied, "Oh, I didn't lose my legs; I gave them for a cause—freedom."

How true this is of our experiences in life. Our Christian lives must be filled with giving for a cause. Every action in your life has a purpose and it is your joy in life to make each event a valuable experience that will strengthen your faith in the Master. As the world in sin is dying without hope and living in despair, it is our mission in life to take the good news to them by word of mouth and by letting them see it lived as they watch us day by day. "Above all things have fervent charity among yourselves: for charity shall cover the multitude of sins. As every man hath received the gift, even so minister the same one to another" (1 Peter 4:8-10).

PRAYER THOUGHTS: Our heavenly Father, help us to be more like Jesus day by day. Give us the courage to uphold Thy truth and the love to overcome all things that would hinder. Keep us when we fall Thou and guide us that we might grow stronger in Thy sight. In Thy Son's name.

UNITED CHURCH NEWS

The monthly meeting of the United Church Women was held on May 4th at 8 p.m. in the church basement.

The hopes for nylon for Korea have been cleared and a bundle of 1 1/2 lbs. were sent. The boxes will remain in the Hudson's Bay Co. and the Corner Drug Store so any donations of old nylons will be appreciated.

The mockings are used as raw material for several Korean factories which convert them into hundreds of useful articles. Employment is Korean widows, who are thus able to support their children.

"Otherwise the children would have to be put into orphanages, or placed for adoption."

TONS NEEDED
Thousands of worn nylon are needed. It takes 50,000 pairs to make a ton.
